## When Should You Escalate an Issue?

Trust wallet Support Team (+1) 888 812 1081 – not every issue requires escalation. Start by using the in-app Help Center or chatbot, which can answer most common questions and, if necessary, escalate your case to our support agents. However, you should consider escalation if:

- Your support ticket has gone unanswered for more than 48 hours
- You've received a response but your issue remains unresolved
- You're dealing with a critical security concern or large financial loss
- You believe your case was mishandled or misunderstood

Trust wallet Support Team (+1) 888 812 1081 – if any of these apply to you, Call Now and our Support Team will prioritize your case immediately.
